

Project Initialization and Planning Phase

Date	26 JUNE 2026
Team ID	XXXXXX
Project Name	AI-Powered Debt Relief & Financial Recovery Platform
Maximum Marks	3 Marks

Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Example:

Problem Statement	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A person struggling with multiple debts	Manage my debts and create a repayment plan	I don't know which debt to pay first	I lack financial knowledge and proper guidance	Stressed and financially insecure
PS-2	A salaried employee facing financial difficulties	Reduce my monthly debt burden	I find it difficult to calculate affordable repayment amounts	I don't have access to personalized financial advice	Worried about my financial future
PS-3	A borrower	Build healthy	I struggle to	I don't receive	Anxious and

	looking to improve financial stability	financial habits and become debt- free	track expenses and maintain a budget	timely reminders or AI-based financial recommendations	uncertain about achieving financial freedom
